STATE OF ALASKA
DIVISION OF MOTOR VEHICLES

RECONSTRUCTED VEHICLE AFFIDAVIT

Verification of Vehicle Inspection (Form 811) must accompany this form.

This form must be completed by the legal owner of the vehicle at the time the vehicle is reconstructed. This is the person who contracted the work to be done. It is not to be completed by the person who performed the work, except in the case where the legal owner made the repairs to the vehicle. The owner must obtain a title in their name before the vehicle can be resold. Please Print.

Additional Information:

A reconstructed vehicle is one that has been materially altered from the original construction. This alteration may consist of the removal, addition, or substitution of essential parts. Essential parts are considered to be the chassis/frame, body and engine.

Title Requirements:

- Complete Application for Title and Registration (Form 812).
- Complete Form 829, in full.
- Completed Verification of Vehicle Inspection (Form 811), Must have the vehicle inspected by a DMV Representative.
- The original title from all vehicles used to reconstruct the vehicle, unless the titles were returned to DMV as "JUNKED".
- All bills of sale and invoices for major parts used in the reconstruction.
- A lien release is required if a lien is recorded on DMV records.

Operational Affidavit

I certify that the vehicle complies with Alaska regulation 2 AAC 92.080(d)…"reconstructed vehicle means a vehicle that has been **completely restored to operational, street legal condition**." I also certify the vehicle has been inspected to verify it is operational and is in satisfactory working condition for all the equipment listed below.

(Signature at the bottom affirms all required equipment is installed and operational.)
