**Attention: Notice of Security Interest Filing**  
 Department of Revenue/Motor Vehicle Division  
 P.O. Box 740381  
 Atlanta, GA 30374-0381

**Note:** Failure to submit this form or a title application (properly completed showing the security interest holder information) with any required supporting documents and the required fee within thirty (30) days of the security interest's creation date will result in the security interest being perfected on the receipt date of this form or a title application. This notice should not be submitted with an application for a Georgia Certificate of Title.

The \$18 filing fee must accompany this form. The filing fee should be paid with cash, check or money order payable to the office processing this form (Office of the Tax Commissioner or Department of Revenue). Please do not remit cash through the mail. Incomplete forms or forms received without the filing fee will not be accepted for processing.

**This notice can not be used for:**

- \* A Georgia Certificate of Title which has already been issued in the owner's name recorded on the notice.
- \* Recording a second or additional security interest.
- \* Application for Title

In most cases, when submitting this notice in-person to the County Tag Office, one (1) notice and filing fee must be submitted for each vehicle. If the notice and filing fee meet processing requirements, the notice will be returned to you stamped or validated with the date that the county received the notice. You will also receive a receipt and a letter referencing the vehicle, vehicle owner, and the security interest holder. The letter will verify that a notice of security interest has been recorded and it will re-emphasize the requirement that a title must be obtained within thirty (30) days of the purchase date. Don't forget that your customer will be unable to register and purchase a license plate or transfer a license plate to the vehicle in the timeframe required (30 days from the purchase date) if a Georgia title has not been issued for the vehicle in their name when a title is required.

When you obtain the required documents to apply for a title, the documents, including a completed MVD tag and/or title application (Form MV-1) signed by the vehicle owner(s) showing all lien and/or security interest information, all applicable fees and the letter received from the processing office should be submitted to the appropriate County Tag Office. While it is not required that this letter be submitted with a subsequent title application, the time it takes to process a title will be significantly reduced if the letter is returned with the title application.
