Motorcycle, Motorized Bicycle (Moped), pickup trucks registered by gross weight, and recreational vehicle plates are limited to six characters. One space or hyphen may be placed between adjoining characters (will be counted as a character, a space cannot be the first character). A personalized plate that offends public morals or decency may not be issued. Personalized plates cannot duplicate other existing plates or any plates in a numbering system used or reserved by the Driver and Vehicle Services Division.

The characters 1 (one) and I (the letter "I") and Ø (naval zero), 0 (zero) and O (oh) are deemed to be the same and may not be duplicated to create new combinations (e.g. "TIM and "T1M" are the same).
