

Missouri Department of Revenue  
**Notice of Vehicle Titling Requirements**

**Instructions**

In accordance with [Section 301.020, RSMo](#), the Department of Revenue (Department) has been notified that a total loss claim payment has been paid to the vehicle owner listed below. The vehicle was less than seven years old at the time of damage and the damage exceeds 80 percent of the pre-damaged fair market value of the vehicle as recorded below and therefore qualifies the vehicle as a salvage vehicle. You must apply for a salvage or prior salvage title by submitting the requirements in Section A or B.

**Section A - Not Operable**

If the vehicle is not operable, you must obtain a salvage title by submitting the following items to your local contract office or to the address above.

1. Application for Missouri Title and License ([Form 108](#)), marked Salvage;
  2. Original Certificate of Title for the damaged vehicle listed below;
  3. A notarized lien release if a lien is recorded on the face of the original Certificate of Title, if applicable;
- Note: If a notarized lien release is not submitted, the lien will be recorded on the face of the Salvage Certificate of Title.
4. A copy of this form;
  5. \$8.50 title fee and \$2.50 processing fee; and
  6. \$5.00 quick title fee, if applicable.

**Section B - Operable**

If the vehicle is operable (regardless of whether or not repairs have been made), you may obtain a prior salvage title by submitting the following items to your local contract office or to the address above.

1. Application for Missouri Title and License (Form 108), marked Prior Salvage;
2. Original Certificate of Title for the damaged vehicle listed below;
3. An inspection from an Official Safety Inspection Station:
  - a. A current safety inspection not more than 60 days old if the vehicle will be registered; or
  - b. An Identification (ID) or Odometer (OD) inspection if the vehicle will not be registered at this time.
4. A copy of this form;
5. \$8.50 title fee and \$2.50 processing fee; and
6. \$5.00 quick title fee, if applicable.

Once a Certificate of Title branded as "Prior Salvage" has been issued, and the vehicle has been safety inspected, the current vehicle license plates may be affixed to the vehicle and it may be driven on the roadways.

**Section C - Insurance Company Only**

By completing this form, you are certifying that the vehicle was less than seven years old at the time of damage and the damage exceeds 80 percent of the pre-damaged fair market value of the vehicle. This form must be completed and sent to the vehicle owner who is retaining ownership of the salvaged vehicle after a total loss claim payment has been made. You must provide a copy of this notice or a notice containing substantially the same information to the Department within 30 days of payment or a total loss claim pursuant to Section 301.020 RSMo.
